

**Corrigendum to: “Scicluna, A. & P. J. Schembri (2025):
First confirmed record of *Tremoctopus violaceus* Delle
Chiaje, 1830 (Cephalopoda: Tremoctopodidae) from Maltese
waters (Central Mediterranean). *Studia Marina*, 38(2): 17–
24.**

CORRIGENDUM

After the present note was published online, it was pointed out to us (Prof Julian Evans, personal communication) that there is a more recent unverified published record of *Tremoctopus violaceus* from Malta by Mifsud & Cachia (2011) who, under this name state "*A specimen was obtained by a fisherman from St. Thomas Bay*" without any further information.
